ARTICLE I – NAME

The name of this organization shall be the Experiment Station Section (ESS) (herein after called the Section), an entity of the Board on Agriculture Assembly (BAA) of the National Association of State Universities and Land-Grant Colleges (NASULGC). The Section is established in accordance with the constitution and rules of operation of NASULGC.

ARTICLE II – PURPOSE

The Section shall represent the Directors of Agricultural Experiment Stations associated with the 1862 Land-Grant Universities, including the Connecticut Agricultural Experiment Station at New Haven, and the directors of the Agricultural Research Stations at the 1890 Land-Grant Universities, including Tuskegee University, in their collective dealings with other units of NASULGC, agencies of the federal government, farm organizations, commodity and agricultural business groups, and the public. For purposes of these Rules of Operation, the title, Director, refers to the Chief Operating Officer of the experiment station and his/her associate or assistant directors. The will of the Section's majority for issues that are ratified by, reported to, or recommended to NASULGC, shall be conveyed through the representative to the BAA Policy Board of Directors to other officers or committees of NASULGC. The Section shall conduct its affairs in accordance with the Rules of Operation with one vote for each member.

ARTICLE III - ORGANIZATION AND FUNCTION

The individual members of the Section comprise the legislative body of the Section. An annual Section Business meeting shall be held in the fall, usually in the month of September. Interim business is handled by the five regional associations and by the Experiment Station Committee on Organization and Policy (ESCOP). State Agricultural Experiment Station (SAES) directors are organized into four geographically based associations. A fifth association is made up of the Agricultural Research Directors (ARD) of the 1890 Land-Grant Universities. These five regional associations arrange for and conduct their business independently, including the collection and disbursement of funds for purposes agreed to among the members of each association. Such funds are used for relevant association purposes, such as the employment of an Executive Director (ED), for authorized travel of members on regional association business, and for other special purposes. These associations are autonomous, and their funds are not the responsibility of the Section, the BAA, or NASULGC, either as to program content or accountability. The five associations elect members to ESCOP, make recommendations to ESCOP and to the Section, and respond to proposals from ESCOP and the Section.
ARTICLE IV – MEMBERSHIP

The voting membership of the Section shall consist of one representative from each of the 1862 and 1890 universities of the dues-paying member institutions of NASULGC. The Administrator, Cooperative State Research, Education and Extension Service (CSREES), United States Department of Agriculture (or his/her designee), the five EDs, and the Director of Federal Relations for Agriculture for NASULGC shall be ex-officio, nonvoting members of the Section.

ARTICLE V - OFFICERS

A. The officers of the Section are: A chair, who also serves as chair of ESCOP, and a chair-elect, each serving one-year terms; and a representative from the Section to the NASULGC BAA Policy Board of Directors elected for a two-year term (per the Rules of Operation of BAA). The one-year terms of the chair and the chair-elect shall expire at the close of the Section's annual business meeting. The BAA Policy Board of Directors representative serves for two years with his/her term expiring at the close of the annual meeting of NASULGC in the last year of his/her term.

B. Elections. Each year at the annual business meeting of the Section, a chair-elect shall be elected. The BAA Policy Board of Directors representative shall be elected by electronic or mail ballot by the members of the BAA.

Nominations for chair-elect shall be made to the Section for their consideration, drawing nominations from the current membership. Nominees for representative to the BAA Policy Board of Directors shall be currently serving as the Chief Operating Officer of an AES or ARD research entity and, preferably, shall have served as Chair of ESCOP. Nominations of other candidates from the Section's membership may be made by Section members-at-large from the floor.

C. Duties. The chair, as the chief executive officer of the Section, assigns duties and directs the activities of all standing and technical subcommittees, appoints ad hoc committees, and communicates through the representative to the BAA Policy Board of Directors to the NASULGC Board on Agriculture Assembly. The chair is also responsible for final approval of all meeting agendas and presides at the business meetings.

The chair-elect shall serve in the absence of the chair. The chair-elect is also responsible for developing the agenda of the annual Section meeting. The chair-elect shall undertake such other duties as the Section chair shall direct, and shall become Section chair for the remainder of the term, should the chair resign or otherwise be unable to serve. The chair-elect shall recommend to the chair committee slates for the coming year, and notify all committee appointees prior to the annual meeting, so that the committees may meet immediately after the business meeting of the Section.
All Section officers and committee chairs are responsible for providing the ESCOP Webmaster with electronic copies of all minutes of meetings and other documents of a continuing and directing nature for archival on the ESCOP webpage.

The duties of the representative to the BAA Policy Board of Directors shall be as prescribed in the Board on Agriculture Assembly Rules of Operation (Article III, Section 4).

D. Executive Committee. ESCOP serves as the executive committee of the Section (see Article VII).

**ARTICLE VI - AFFILIATED GROUPS**

The Section provides for interaction with other groups involved in research that is similar or complementary to the research done within the SAESs (1862) and the Agricultural Research Stations (1890) through their affiliation with the Section. Presently established affiliated groups are Board on Human Sciences, the National Association of Professional Forestry Schools and Colleges (NAPFSC), and the Board on Veterinary Medicine. NAPFSC, which includes institutions that are not members of NASULGC, is presently affiliated with the Section under a memorandum of agreement.

Other groups may become affiliated with the Section upon mutual agreement among the group or groups and the Section.

**ARTICLE VII – ESCOP**

ESCOP is the executive committee of the Section empowered to formulate policy and to act in behalf of the Section, subject to the will of the Section as expressed at business meetings of the Section, or through referenda conducted during the interim between business meetings. ESCOP handles continuing business and attends to organization and policy matters, oftentimes through relationships within NASULGC, with agencies of the federal government, and with farm organizations, commodity and agribusiness groups that are referred to it by the Section or by the regional associations. ESCOP shall handle continuing business, and organization and policy issues that are generated within ESCOP, or referred to ESCOP by the Section, BAA, NASULGC, or the regional associations. These issues may involve relationships within NASULGC, or with agencies of the federal government, farm organizations, or commodity and agribusiness groups.

In addition, voting representatives (one each) shall
come from the NASULGC Boards on Human Sciences and Veterinary Medicine, and one representative shall come from NAPFSC. Each of these representatives shall serve at the pleasure of their respective associations.

Nonvoting ex-officio members and nonvoting liaison representatives are:

**Ex-Officio Members**

- International Committee on Organization and Policy (ICOP)
- Council for Agricultural Research, Extension and Teaching (CARET)
- Council for Research Programs and Graduate Education (CRPGE)

**ESCOP REPRESENTATION TO OTHER GROUPS**
ESCOP provides representatives to a variety of other committees, agencies, associations, and organizations. These representatives are appointed by the chair of ESCOP after consultation with the Executive Committee. Within NASULGC, these appointments include: ICOP, ECOP, ACOP, and CARET.

The Officers of ESCOP shall be the chair, the immediate past chair, the executive vice chair, the chair-elect, and the Section's representative to the BAA Policy Board of Directors. The ED representing the region of the ESCOP chair serves as executive vice chair, with the prior approval and agreement of that regional association.

The persons holding positions of Section chair, Section chair-elect, and Section representative to the BAA Policy Board of Directors shall hold the same positions, respectively, in ESCOP.

**The Duties of ESCOP Officers are:**

Chair: The chair provides leadership, direction, and counsel for all activities of ESCOP in its collective relationships with: Other units of NASULGC; organizations contracted to act in behalf of ESCOP; the regional associations; agencies of the federal government; farm organizations; commodity and agricultural business groups; and, the public. The chair initiates action on issues of importance referred to ESCOP by the regional associations, and he/she chairs meetings of ESCOP, the ESCOP Executive Committee, and the ESCOP Chair's Advisory Subcommittee. The chair approves agendas for these meetings, assigns duties, and coordinates the activities of this committee and subcommittee. The chair, with the assistance of the executive vice chair, prepares a list of all committees and subcommittees at the close of the annual fall meeting and prepares and distributes minutes of all meetings. The chair also is responsible for maintaining communications between ESCOP and other units of NASULGC.
Expenditure of Funds: The Chair of ESCOP may authorize the expenditure of assessed funds up to $5000 with 2/3 approval of the ESCOP Executive Committee.

Executive Vice-Chair: The executive vice-chair performs those responsibilities delegated by the chair. Those duties have customarily included staff support such as: development of agendas and minutes of meetings, policy option statements, and drafts of testimony; follow-up on ESCOP Committee activities and initiatives; identification of possible nominees for various ESCOP Committees; and continuing liaison with agencies of the federal government, farm organizations, commodity and agricultural business groups, and the public.

The executive vice-chair provides direct and continual support to the chair, monitors day to-day activities affecting ESCOP, notifies the chair when ESCOP attention or action is appropriate, makes facility arrangements for meetings of ESCOP, and assures that the documents and materials required to conduct the business of ESCOP are available to the chair and others as appropriate.

Chair-Elect: The ESCOP chair-elect shall serve as chair in the absence of the chair, and becomes the chair for the remainder of the term, should the chair resign or otherwise be unable to serve. The chair-elect shall assist the chair in preparation of meeting agenda, and undertake such other duties as the chair shall direct. The chair-elect is also responsible for obtaining an annual report from each committee chair.

Past Chair: The ESCOP past chair provides advice to the chair and other ESCOP officers, and chairs the ESCOP Nominations Subcommittee.

Representative to the BAA Policy Board of Directors and Executive Director Staff support: The representative to the Policy Board of Directors represents the interests of the Section and ESCOP to the BAA Policy Board of Directors. The representative shall prepare an annual report on Board activities for presentation during the Section meeting (usually in September). (See also BAA Rules of Operation, Article III, Section 4.) The ED who supports the Policy Board representative shall be appointed to a two-year term by the chair of ESCOP. The appointment shall be made at the end of the first year of the Policy Board representative’s term, and the ED is eligible to serve a maximum of two terms (4 years) in succession.

Meeting Times:

ESCOP shall meet at least once during each calendar year. The mandatory meeting shall be at the All COPs meeting for as long as the All COPs meeting is held. An annual meeting of ESS is usually held in September.

The chair of ESCOP has the authority to cancel meetings, based on his/her best judgment. The ESCOP chair is empowered to call special meetings to consider emergency or extraordinary issues. However, issues requiring action between regular meetings of
ESCOP, normally, are handled by the Executive Committee. The Executive Committee meets three times each year; usually in April, in conjunction with ESS in September, and in conjunction with NASULGC in November.

**Meeting Agenda:**

In advance of each meeting, the chair of ESCOP shall request members to submit items for the agenda, including any actions from the regional associations that are referred to ESCOP. The chair shall distribute the agenda to all members at least one (1) week prior to the ESCOP meeting. This may be accomplished electronically.

The chair shall actively encourage new directors to attend the September Section Business meeting.

**Procedures Relative to Actions of ESCOP:**

By mutual consent of its members, certain selected actions of ESCOP are handled by seeking formal approval of the NASULGC organization. Other actions are taken directly. Points of departure or issues of difference with NASULGC shall be resolved by referring to the NASULGC Rules of Operation.

**Actions Requiring NASULGC Approval:**

The development of the formal BAA budget request for the Section and other nonfederal affiliated research units, and entitling legislation relative to that budget, are matters requiring formal action of NASULGC. This is because the recommendations will later be considered for formal support by NASULGC. Other issues requiring formal NASULGC approval may arise from time to time. Procedures for seeking NASULGC approval are:

1. Proposals or statements of issues are prepared by ESCOP indicating the support of the majority of the voting members of ESCOP.

2. The chair of ESCOP shall present proposals to the Section for discussion and approval or disapproval.

3. When approved by the Section, proposals are submitted by the chair of ESCOP through the representative to the BAA Policy Board of Directors to the BAA for approval.

**ESCOP COMMITTEES**

ESCOP's functions are accomplished principally through the work of its committees and subcommittees. To provide continuity to the committees, a committee chair and a committee chair-designate, each for two-year terms, are appointed via the ESCOP nominations process. Furthermore, to provide staff support to core committees, each is assigned an ED from one of the five regional associations to serve as an executive vice
chair. However, this designation does not preclude an ED from serving as a core committee's chair-designate or chair. Each core committee is authorized to form subcommittees. In order to allow an orderly rotation of committee membership, regional representatives to the Budget and Legislative, Communications and Marketing, and Science and Technology Committees are appointed by the respective regional associations for three year terms. Individuals may be reappointed to consecutive terms by the associations. Where possible, appointments from a region should be staggered to provide continuity.

Subcommittees are appointed by the ESCOP chair and they function indefinitely subject to satisfactory annual reports and periodic review. Task forces are temporary and function for defined periods of time, work with specific charges, and report to the sponsoring core committee.

ESCOP HAS FIVE CORE COMMITTEES:
