Item 10.0 CREATE-21/Farm Bill Update
Presenter: Steve Slack/Mike Harrington

Background:

The C-21 bill was introduced in both the Senate and House. The latter bill included the Farm Bill recommendations and also removed the proposed reorganization of USDA. Testimony was provided in support of the bill by the BAC. The research title has many features of the C-21 proposal. Cornerstone continues to effectively provide language and input into the Bill.

Action Requested: For information
